January 2013

Dear

Thank you for attending the inaugural U3A meeting last week, or for leaving your contact details if you were unable to attend. We were delighted with the turnout, over 80 people joined us in the Church Rooms.

The Committee have passed on names of those who signed up to Interest Groups to the Leaders, where they have been identified. If there is not yet a Group Leader then the Interest Group members will be contacted and invited to agree amongst themselves how to proceed.

For your information the current status of Interest Groups is shown in the table on the attached sheet. You will note that several Group Leaders still need to be appointed. If you would like to take on the role of Group Leader then please phone Veronica Ashworth.

The next main U3A meeting takes place on Wednesday 20th March at 2pm in the Church Rooms. The speaker will be Jenny Edridge on The Wildlife of the Seychelles. At that meeting we will be collecting annual subs (£15 single membership, £25 joint). It would be helpful if you could complete the attached membership application form prior to the meeting.

We have added a large amount of information on our new website. If you have family or friends who are able to access the internet tell them our address is www.lostwithielu3a.org.uk and you will be able to find the current status of all 20 Interest Groups.

The website may also be viewed using the computers in Loswithiel Library. Just chat to any member of staff and they will be please to help you.

Regards,

Lostwithiel U3A committee.

Lostwithiel U3A committee.
